

**FOR IMMEDIATE RELEASE**

## **ENERActive Solutions Named One of New Jersey's 50 Fastest Growing Companies in 2013 by NJBIZ**

(Asbury Park, NJ) – ENERActive Solutions is excited to announce it has been ranked #30 on NJBIZ's list of 50 Fastest Growing Companies in New Jersey. The NJBIZ 50 Fastest Growing Companies awards program celebrates New Jersey's most dynamic companies who progressively contribute to the success of the state's economic growth and stability.

"It is an honor to continue to evolve and transform as a dominate player in the world of energy consulting and to be recognized for the efforts we have put forth. We strive towards making significant impacts for ourselves, our clients, and all those we touch in the daily interactions of business" says Daniel Weeden, President and CEO of ENERActive Solutions. "Companies are merely the manifestations of the actions of the people that constitute them. When you have great people, you have a great company. I would like to extend my gratitude to my co-workers for being people of intellect, power, and generosity with others and for making ENERActive a great place of pride and opportunity."

NJBIZ – New Jersey's premiere business news publication – and program sponsors honored this year's 50 fastest growing companies during an awards dinner and ceremony held on November 19<sup>th</sup> at the Palace at Somerset Park in Somerset, NJ. The honorees are also highlighted in a special supplement to NJBIZ. [To read more about NJBIZ's Top 50, click here.](#)

About ENERActive Solutions:

ENERActive is an independent, full service energy consulting, engineering, and project development firm specializing in the analysis, design, development, and implementation of energy efficiency projects, building system optimization projects, and power generation solutions for optimization and environmental control.
